

## Default Question Block

On June 23, 2022, the Pennsylvania Farm to Child Nutrition Summit will be held at the Ag Progress Days site, outside of State College, in Centre County. We are looking for engaging speakers who have a farm to child nutrition or agricultural education experience to share or who want to engage the audience in discussion around a farm to child nutrition topic. Please complete the information below to submit a proposal to present at the summit.

Title for Proposed Presentation:

Presentation Description:

Please select the topic area(s) below in which you feel your presentation would fit or propose an additional topic area.

- Connecting Child Nutrition Programs with Farmers/Producers
- Student Engagement in Farm to School or Farm to Early Care and Education
- Funding Farm to Child Nutrition Initiatives
- Overcoming Barriers to Local Purchasing
- Implementation of Pennsylvania Harvest of the Month
- School Gardens/Gardening in Early Care and Education Settings
- Other. Please describe:

Please indicate the target audience(s) for your presentation. (If you select an Early Care and Education audience and your proposal is accepted, additional information will be needed related to the PD registry.)

- Early Care and Education educators
- Early Care and Education food service providers
- K-12 educators
- School Food Service Directors
- Producers/Distributors
- Other. Please describe:

Please indicate the proposed length and format of your presentation.

- 10-15 minutes (as a panelist alongside other presenters on a similar topic)
- 30-45 minute lecture
- 30-45 minute discussion
- 60 minute educational display

If your presentation addresses racial and/or social equity in farm to child nutrition, please describe:

Please describe any relevant farm to child nutrition experience you have had and how you envision becoming a more sustainable partner in farm to child nutrition in Pennsylvania. (For examples: If you are a producer, would you be interested in hosting virtual or live field trips or visiting a school? If you are an

educator, would you be interested in networking with other educators about teaching children about agriculture or in helping to collect farm to school lesson plans? If you are a child nutrition program operator, would you be interested in procuring more foods that are produced/grown locally or providing information to children about the source of their food?)

A limited number of speaker stipends (approximately \$200) is available. Would you like to be considered for receiving one of these stipends? (Conference registration is free.)

- No
- Yes, but I can likely be involved even if I do not receive a stipend.
- Yes. I would not be able to be involved unless I receive a stipend.

Please provide an estimate of your costs to attend/present at the summit.
